

Anita Adams Clinic

March 23-26, 2026

Highland Stables, 16723 S. Williams Rd, Beavercreek, OR 97004

Anita Adams has devoted her career to principles of classical dressage as taught to her by Karl Mikolka, former Chief Rider of the Spanish Riding School in Vienna. As her mentor, Herr Mikolka stood steadfast by his principles of upholding the methods he was privileged to learn during his years at the school.

Now, with almost thirty-six years of experience in this specific method of the Mikolka System, Ms. Adams has honed her teaching skills to properly convey the philosophy taught to her by her mentor. This method has shown that horses trained in this approach appear to become lighter and more active. Riders having studied this method become confident and knowledgeable in getting the best performance out of their horses.

All members of the ORUSPCA & the WAUSPCA are cordially invited to join the Anita Adams Clinic at Highland Stables, supporting United States Pony Club.

Please contact Martine Baccelliera at fmmebacc@comcast.net or call/text to 503-780-0548 for more information and to register for the clinic.
